

# RAMPART GROUP

MASONRY & SPECIALTY CONCRETE CONTRACTOR

**NYS CERTIFIED SDVOSB**

Service-Disabled Veteran-Owned Business

## CAPABILITY STATEMENT

New-construction masonry and specialty underlayment systems for commercial, institutional, and public-sector projects.

We install the systems beneath finished floors — not LVP, tile, or other floor coverings.

### MASONRY CONSTRUCTION NEW CONSTRUCTION

- CMU installation
- Brick masonry installation
- Grouting & reinforced masonry
- Architectural & structural stonework
- EIFS — CCIP / OCIP projects only
- Scaffolding & access support
- Masonry consultation

### SPECIALTY CONCRETE & UNDERLAYMENT NEW BUILD + RENOVATION SCOPES

- Concrete toppings & leveling
- Self-leveling underlayments
- Gypsum concrete (Gypcrete) underlayments
- Cementitious underlayments
- Pitched & sloped topping slabs
- Resinous flooring systems
- Surface prep — scarify, grind, profile

**RENOVATIONS: UNDERLAYMENT & RESINOUS SCOPES ONLY — MASONRY IS NEW CONSTRUCTION ONLY**
